Race/Ethnicity

Notice to Parents and Students - Parents and students should be aware that if they choose not to answer the two-part question, school districts are required to identify an ethnicity and race on behalf of the student, based on several factors, including observation, in accordance with U.S. Department of Education and Colorado Department of Education Guidelines.

Part A. Is this student Hispanic / Latino? (choose only)
 Yes, Hispanic/Latino - A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.
 No, not Hispanic/Latino

The above part of the question is about ethnicity, not race. **No matter what you selected in Part A above, please provide an answer to Part B** by marking one or more boxes below to indicate what you consider your child's race to be.

Part B. Which of the following groups describe the student's race? (choose one or more)
 American Indian or Alaskan Native - A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.
 Black or African American - A person having origins in any of the black racial groups of Africa.
 Asian - A person having origins of any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
 Native Hawaiian or Other Pacific Islander - A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
 White - A person having origins in any of the original peoples of Europe, the Middle East or North Africa

Acknowledgment

The information contained on this Student Registration form is true and correct. In accordance with Colorado Revised Statutes Sections 22-23-104 and 2-23-107, I acknowledge my obligation to ensure that every child between the ages of 6-17 under my care and supervision shall attend school. The only exceptions shall be for illness and other absences excused by the Principal.

Notice

Notice to Parents and Students - All students new to the district shall be enrolled conditionally until records, including discipline records, from the schools previously attended by the student are received by the district. In the event the student's records indicate a reason to deny admission, the student's conditional enrollment status shall be revoked. State law requires immunization records be submitted at the time of registration.

Start Strong in Kindergarten

- In the same way that every child learns to walk at a different age, different children develop academic and social skills at different rates.
- **This is not a checklist.** Instead, this is a way for you reflect upon your child's strengths and growth areas as you prepare your child for Kindergarten.
 - If your child has some of the skills listed in each area, your child's skills are in line with the expectations for kindergarten readiness.
 - If your child has not yet acquired many of the skills in each area, it may indicate that your child could benefit from more experience in a structured learning environment or exposure to similar-aged peers prior to embarking on kindergarten.

COLORADO

Department of Public
Health & Environment

Advancing Colorado's health and protecting the places we live, learn, work and play

Dear parents/guardians of students in Colorado kindergarten - 12th grade schools for the 2020-21 school year:

We know you're thinking of all the things you need to do to make sure your student is ready for school. Getting vaccinated is an important part of their school readiness and keeps children from catching and spreading diseases that can make them sick. We wish you and your student a healthy school year!

Required and recommended vaccines

- Colorado law requires students who attend a public, private, or parochial kindergarten - 12th grade school to be vaccinated against many of the diseases vaccines can prevent, unless an exemption is filed. For more information, visit colorado.gov/cdphe/schoolrequiredvaccines (or cdphe.colorado.gov/schoolrequiredvaccines). Your student must be vaccinated against:
 - o diphtheria, tetanus & pertussis (DTaP, DTP, Tdap)
 - o polio (IPV)
 - o measles, mumps, rubella (MMR)
 - o hepatitis B (HepB)
 - o varicella (chickenpox)
- Colorado follows recommendations set by the Advisory Committee on Immunization Practices. Students entering kindergarten must receive their final doses of DTaP, IPV, MMR and varicella. Students entering 6th grade must receive one dose of Tdap vaccine, even if they are under 11 years of age. You can view recommended vaccine schedules for children 0 - 6 years of age at cdc.gov/vaccines/parents/downloads/parent-ver-sch-0-6yrs.pdf and preteens/teens 7 - 18 years of age at cdc.gov/vaccines/schedules/downloads/teen/parent-version-schedule-7-18yrs.pdf.
- Vaccines are recommended for hepatitis A, influenza, meningococcal disease and human papillomavirus, but are not required.

Exclusion from school

- Your student may be excluded from school if your school does not have an up-to-date vaccine record, exemption, or in-process plan for your student on file.
- If someone gets sick with a vaccine-preventable disease or there is an outbreak at your student's school and your student has not received the vaccine for that disease, they may be excluded from school activities. That could mean lost learning time for them and lost work and wages for you. For example, if your student has not received a measles-mumps-rubella (MMR) vaccine, they may be excluded from school for 21 days after someone gets sick with measles.

Have questions?

- You may want to talk to a healthcare provider licensed to give vaccines or your local public health agency about which vaccines your student needs or if you have questions. You can read about the safety and importance of vaccines at SpreadTheVaxFacts.com, ImmunizeForGood.com, and colorado.gov/cdphe/immunization-education (or cdphe.colorado.gov/immunization-education).

Paying for vaccinations

- If you need help finding free or low-cost vaccines and providers who give them, go to COVax4Kids.org, contact your local public health agency, or call the state health department's Family Health Line at 1-303-692-2229 or 1-800-688-7777. You can find your local public health agency at colorado.gov/cdphe/find-your-local-public-health-agency (or cdphe.colorado.gov/find-your-local-public-health-agency).

Vaccination records

- Please take your student's updated vaccine record to school every time they receive a vaccine.
- Need to find your student's vaccine record? It may be available from the Colorado Immunization Information System. Visit COVaxRecords.org for more information.

Exemptions

- If your student cannot get vaccines because of medical reasons, you must submit an official *Immunization Medical Exemption Form* to your school, signed by a health care provider licensed to give vaccines. You only need to submit this form once, unless your student's information or school changes. You can get the form at colorado.gov/vaccineexemption (or cdphe.colorado.gov/vaccineexemption).
- If you choose not to have your student vaccinated according to the current recommended schedule because of personal belief or religious reasons, you must submit a non-medical exemption to your school. Non-medical exemptions must be submitted at ages 2 months, 4 months, 6 months, 12 months and 18 months. The easiest way to file a personal or religious exemption is by using our online or downloadable non-medical exemption form available at colorado.gov/vaccineexemption (or cdphe.colorado.gov/vaccineexemption).

How's your school doing on vaccinations?

- Some parents, especially those with students who have weakened immune systems, may want to know which schools have the highest percent of vaccinated students. Schools must report immunization and exemption numbers (but not student names or birth dates) to the state health department annually. Immunization and exemption rates can be found at COVaxRates.org.

COLORADO

Department of Public
Health & Environment

Advancing Colorado's health and protecting the places we live, learn, work and play

Dear Colorado health care provider:

Colorado School Entry Immunization Law (25-4-901 et seq, C.R.S) and Colorado Board of Health rule (6 CCR 1009-2) require students who attend a public, private or parochial K - 12 school, licensed child care, preschool, or Head Start program to be vaccinated against many of the diseases vaccines can prevent, or have an exemption on file. For more information, visit, colorado.gov/pacific/cdphe/schoolrequiredvaccines (or cdphe.colorado.gov/schoolrequiredvaccines). Students must be vaccinated against:

- diphtheria, tetanus and pertussis (DTaP, DTP, Tdap)
- polio (IPV)
- measles, mumps, rubella (MMR)
- hepatitis B (HepB)
- haemophilus influenzae type b (Hib)
- pneumococcal (PCV13)
- varicella (chickenpox)

The number, timing and spacing of the required vaccine doses is set by the Centers for Disease Control and Prevention's (CDC) Advisory Committee on Immunization Practices (ACIP). To be considered valid, a dose of vaccine must meet both the minimum age and minimum intervals as defined by ACIP. You can view the current ACIP vaccine schedule for persons 0 - 18 years of age at cdc.gov/vaccines/schedules/downloads/child/0-18yrs-child-combined-schedule.pdf. Vaccines are recommended for rotavirus, hepatitis A, influenza, meningococcal disease and human papillomavirus, but are not required for school attendance.

Colorado schools are required to review immunization records for school entry and can only accept valid doses of vaccine. Your patients may receive notification of noncompliance if a dose of vaccine does not meet the minimum age or minimum interval requirements, per the ACIP schedule. There are three ways a student can meet the compliance requirements established by Colorado law:

- 1) A student is considered fully immunized if he or she has received all doses of school-required vaccines according to the current ACIP schedule. Note: students are required to receive their final doses of DTaP, IPV, MMR and varicella by kindergarten entry and their Tdap by 6th grade entry, even if the student is under 11 years of age.
- 2) A student is in the process of becoming up-to-date on required vaccines and has a written plan from the parent/guardian on file with the school.
- 3) The student's health care provider (medical doctor, doctor of osteopathic medicine, advanced practice nurse or delegated physician assistant) has signed an official *Immunization Medical Exemption Form* because of a condition that precludes the student from receiving vaccine(s), or the student (emancipated or 18 years of age or older) or student's parent/guardian has submitted a signed non-medical exemption (religious or personal belief).

If students do not meet at least one of the compliance criteria, they are not permitted to attend school. If you have questions about the student's school immunization requirement, please communicate with the student's school nurse or school representative.

If you have questions about the ACIP immunization schedule, vaccines marked as invalid in your patient's immunization record, or about Colorado School Entry Immunization Law, please contact us at 303-692-2700 or cdphe.dcdimmunization@state.co.us. If you have questions about the Colorado Immunization Information System (CIIS), please contact us at 303-692-2437 (press 2), 1-888-611-9918 (press 1) or cdphe.ciis@state.co.us.

Nut Restriction Policy

We have several students at CCE who have life threatening allergies to nuts and/or peanuts. To ensure the safety of all students we serve, we ask that **peanut products or nuts not be brought for classroom snacks**. (This would include walnuts, almonds, hazelnuts, pecans, macadamia nuts, Brazil nuts, etc, and of course, peanut butter and nut butters.) **These products are only allowed in the lunch room during grade level lunches at designated tables.**

While in the lunchroom:

- Students will sit at identified tables that are either nut restricted or allow nuts
- The same identified tables are used each day for nut restrictions to ensure safety
- The towels used to clean tables after each lunch will be separate for the nut restricted tables
- Students eating food containing nuts will wash their hands before returning to the classroom
- If a student without a nut restriction would like to join a friend at the nut restricted table, they must bring or purchase a nut free lunch.

Birthdays - We do not celebrate students' birthdays with any type of **outside** food.

Birthdays are celebrated by announcement at the beginning of the month. Students will be recognized by the principal and will receive a birthday pencil. Students may share small trinkets with classmates (ie. pencils, bouncy balls or other fun items).

School Day

School is in session from 8:40am until 3:30pm. Doors open at 8:30am and can enter at their leisure until 8:40am. After 8:40am, students must be checked in at the office.

Students may not be dropped off prior to 8:20am. There is no adult supervision on the playground before or after school. If there is a weather delay, school starts at 10:10am.

Office Hours

The school office will be open from 7:30am to 4:00pm on regular days. These times may be adjusted on days that are not on a regular schedule, such as weather-impacted days or staff in-service days. Check the Coyote Creek website for summer hours.

Coyote Creek BASE

Sara Rasmussen, BASE Manager

Dear Future Coyote Creek Parents,

Welcome to Coyote Creek Elementary. We are so excited to get to know you and your family. Coyote Creek BASE is here to help with your child care needs and is very convenient since we are located on the school site.

Our mission is to promote the safety, well-being, and development of every child while partnering with school and community to be the best choice for families. Our talented, nurturing childcare professionals are committed to offering the highest quality of care for children at an affordable price for parents. Coyote Creek BASE is a Colorado state licensed child care facility. We have a maximum ratio of 1 adult to 15 children. Throughout the day, students are engaged in various activities that may include craft projects, gym activities, puzzles, board games or using their imagination. During Fall, Winter, Spring and Summer breaks or on Non-student contact days, BASE offers a full day program. During full days, BASE goes on various field trips and the students are engaged with the projects and activities that we have planned for the day.
